ABOUT NORDIC GOLF LEAGUE

The Nordic Golf League is part of the third level Satellite Tour and the top finishers on the Nordic Golf League Ranking (Golfbox Road to Europe) annually earns category on the European Challenge Tour the following year.

EXECUTIVE COMMITTEE

The Nordic Golf League is governed by the Nordic Golf League Executive Committee that consists of representatives from either PGA or the National Golf Federation in Denmark, Finland, Norway and Sweden. The Nordic Golf League Executive Committee decides the Terms & Regulations, schedule, point's table and elects members of the Executive Committee.

During annual meetings every Nordic country has one vote given it has completed a minimum two Nordic Golf League tournaments during the last season and/or a Challenge Tour event in the country during the previous two seasons. Representatives from Federations, PGA's and Nordic Golf Tours can attend the meetings shortly after the Main Season and again after the conclusion of the tournaments in the Winter Season. Issues not covered by the Terms and Regulations (R&R) can be decided outside of the annual meetings by email/phone by the executive committee. The two countries hosting the main tours (Sweden and Denmark) has a veto right to stop decisions or changes to the T&R if both countries agree.

Where prize money is contracted in another currency, the € equivalent will be calculated using the exchange rate on the Monday of the tournament week in question.

An amateur can earn prize money up to 750 EUR or corresponding amount if there is a national decision in the host country. If he finishes on a position that is equal to a higher prize sum, he will receive 750 EUR and the remaining money will be transferred to the NGL bonus pool. It's allowed for an amateur to decline prize money. In that case he should inform the tournament committee before the tournament starts. In case he finishes on a prize money position, the prize money will be transferred to the NGL Bonus pool.

In tournaments with fewer than 45 players the prize money breakdown (not the point's breakdown) should be adjusted so that 100% of the prize fund is paid out. Each tournament host has the responsibility to announce the final prize money breakdown prior to the start of the tournament. In order to receive prize and bonus money a copy of passport and tax certificate needs to be sent to each country/tour.

PLAY FORSHORTENED OR CANCELLED

If, in the judgment of the Tournament Director and the committee, adverse weather conditions or any other occurrence beyond the control of the Nordic Golf League renders the commencement or continuation of the tournament impracticable, play shall be postponed until such time as the Tournament Director, after consultation with the sponsor/course, considers that play can be continued. The Tournament Director has absolute discretion to implement whatever procedures necessary in order to ensure the continuation and completion of the tournament.

A tournament must contain a result of 36 holes if players shall be able to receive prize money and ranking points. If less than 36 holes are completed the tournament will be cancelled. Players shall then get a refund of the entry fee. No other compensations will be paid out. A tournament must be decided within the announced tournament dates.

NORDIC GOLF LEAGUE

Terms and Regulations 2023

CODE OF ETHICS

This procedure is designed to help the Management of the Nordic Golf League and its players to identify the conduct and ethics that are expected from the Nordic Golf League's players and to set out the procedure to be followed where there may have been a breach of the same.

When participating in a Nordic Golf League tournament, each player voluntarily submits himself to standards of behavior and ethical conduct that will gain respect for the profession. Players must act at all times in the best interests of the Nordic Golf League, its sponsors, clubs, national tours and the game of golf and try to enhance the goodwill which attaches to the same.

Each player will at all times maintain the Nordic Golf League's reputation for honesty, fair dealing, courtesy and sportsmanship whether on or off the golf course during an event.

Each player's professional integrity and loyalty to the game of golf and sense of responsibility to Sponsors, employers and employees, manufacturers, clients must always transcend thought of material gain.

It would be impossible to define exactly the standard of conduct expected from Nordic Golf League players in all circumstances or to list all acts which would amount to a breach of the Code and lead to disciplinary sanctions. In most cases common sense should tell the player the standard of behavior that is required. Any player who has any doubt as to the conduct that is expected of him should contact the tournament office for advice.

In most circumstances, the following acts or omissions will be considered to be contrary to the code and if established will lead to a penalty being imposed. This also applies to caddies, coaches, parents and other identifiable persons following/helping a player during an event.

- Failure to comply with normally accepted standards of courtesy and golf etiquette.
- Criticism of the course, sponsor, tour or the committee. Any complaints during a tournament shall be addressed to the Tournament Director only. After conclusion of a tournament, complaints must be sent to the Chairman of the NGL Committee.
- Improper behavior on Social Media that bothers or offends the course, sponsor, tour or the committee, fellow players, spectators etc.
- Improper behavior on the course (club abuse, smashing of tee marker, not raking bunkers adequately, audible obscenity, etc.)
- Any behavior viewed as unprofessional in the opinion of the committee or Nordic Golf League Executive Committee.
- Failure to control temper anywhere within the environs of the Club or the course.
- Rules officials, Tournament Director and fellow competitors have the right to report breach of conduct. The decision rests with the Tournament Director.

If a player fails to comply with this term he will incur a fine of up to € 100, doubling up for subsequent offences. Each country/tour is responsible for the management of fines in their respective tournaments.

If the player is dissatisfied with the decision he may appeal in writing to the Nordic Golf League Executive Committee within two (2) weeks of the date of notification of the fine.

NB: The fine has to be paid before the start of the members next NGL tournament – an appeal has no suspensory effect.

Serious breach of code of ethics or the Rules of Golf

When it is deemed that a serious breach of code of ethics or the Rules of Golf has occurred during a Nordic Golf League Tournament the Tournament Director shall investigate the episode by interrogations of witnesses and all involved parties. If relevant and possible, a reconstruction of the episode should be carried out.

According to Golf Rule 1.2a a player can be disqualified in the tournament where the serious breach has occurred.

If the promoter of the country/tour thinks that a disqualified player is liable to an additional fine or suspension from playing one or more tournaments in a given period (up to a maximum of 2 years) - he should require a detailed report in writing from the Tournament Director. The witnesses and involved parties should then have 14 days to comment on the report in writing, and a further 14 days to comment on the comments (which might include new info/details), before the promoter takes a decision about additional penalty.

A player, who has received an additional penalty, can appeal the decision to the Nordic Golf League Executive Committee within a period of 28 days. The Tour/Promoter where the episode has occurred can't be involved in the appeal procedure.

A serious breach could be one of the following:

- Deliberately breaks a Rule (as defined in the Rules of Golf, Local Rules and Etiquette)
